Minutes of Meeting

IQAC/M/2022-23/01

15.09.2022

IQAC meeting with external members was conducted on 15.09.2022 in Board room. The following points were discussed in the meeting:

1. Dr. Sudha Mohanram, Principal, Chairperson of IQAC welcomed all the members and conveyed Engineers' day wishes to all the participants.
2. Mr. Kannan Narasimhan, Dean-Industry & International Relations, Head - IQAC shared his wishes and present explained each agenda points.

Need for 2019 revised curriculum and syllabus:

As per the feedback received from the various stakeholders like IT industries, automotive industries and from alumni members, it is suggested to revise the existing 2019 Regulations for the students admitted in the academic year 2022-23. This regulation is effective for all the programmes exclusively for the students of 2022-26 batch. The detailed curriculum and syllabus is approved by the respective BOS and Academic Council members.

Industry participation in curriculum development.

As per revised 2019 regulations, most of the courses are focused towards industry oriented, hence it is suggested to involve more industry experts for content delivery. It is also suggested to send our faculty to the various industries to fetch hands on training in their respective field interest also to ensure quality teaching learning process.

Strategic Plan for 2019-24, perspective plan of 2022-23

For the sustained progress of the institute, clear forecasting and thrust in latest technology is needed. In this perspective, all the departments are advised to have perspective plan for the academic 2022-23, which in turn in align with strategic plan 2019-24.

Research activities

As per Vision of our institution, to be a Premier institute, research activities are regular activities across all the departments throughout the academic year. Faculty and students are encouraged for paper publication in peer reviewed journals. In order to support the project culture, seed money is granted as per guidelines given Research regulations of our institution.

NIRF status and initiatives

Dr. Naveen, Professor, ECE explained the NIRF details and current status. Also present the scope of improvement to move ahead in NIRF ranking.

Suggestions External members

Comments by Alumni

It is suggested to provide financial support for selected project works.
It is also suggested to have new courses in almost all the department to meet the current industrial needs.
It is suggested to strengthen the Alumni cell and their activities.

Comments by Chairperson

Chairperson explained the members regarding industry oriented faculty development programme. Training can be focused by selecting fast track courses.

The present academic scenario in which students are given training through industries. Also faculty members given faculty development

programme in industry itself to know the real time industrial environment.

Vote of Thanks

Chairperson, Dr.SudhaMohanram and Mr. Kannan Narasimhan thanked all the members for their support and valuable inputs. Also committed that all the comments will be considered for fine tuning of academic process.

A handwritten signature in green ink, appearing to be "Dr. Sudha Mohanram".
