Report – "One Day Workshop on Basic PLC Programming" (29th Dec-2017)

IEEE Student Branch and Robotics club of SECE organized "One Day Workshop on Basic PLC Programming" on 29th December 2017. 39 students from ECE and 15 IEEE student members were actively participated the event. IEEE student Branch counselor Mr.E.Venugopal AP-ECE welcomed the gathering, Dr.N.Shanmugha Sundaram Head-ECE gave the Inaugural address, Session 1 – "Introduction to PLC" handled by Mr.M.Mohankumar AP-ECE, Session 2 "Hands on training of Simple programming concepts in the PLC softwares" and Session 3- "Hands on training with OMRON PLC" given by Mr.E.Venugopal, AP-ECE, Session 4 - Mr.C.Mohanraj AP-EEE described the PLC automation at Mitsubishi Electric Robotics and Automation lab. The workshop ended with the certificate distribution.

Inaugural Address by Dr.N.Shanmugha Sundaram Head-ECE	Mr.M.Mohankumar AP-ECE at Session 1 – delivering "Introduction to PLC"
A view of participants	Mr.C.Mohanraj AP-EEE at Session 4 – PLC Automation at Mitsubishi Electric Robotics and Automation lab
