## OFFICE OF THE CONTROLLER OF EXAMINATIONS

### ANNUAL REPORT 2020 – 2021

Sri Eshwar College of Engineering (SECE) has been established in the year 2008 with a mission to impart quality education in the field of engineering and technology. By the extensive collaboration with the industry, various academic institutes, research organizations, the institution **provide flexible and customized curriculum** to redefine the system of education and to deliver the expected outcome to enable the students to transform into globally acknowledged and socially responsible engineers. The office of Controller of Examinations plays an essential role in the academic activities of the college by ensuring (i) Conduction of Continuous Internal Assessment Tests at defined intervals. (ii) Conduction of Semester End Examinations as per the norms and respective regulations for various UG and PG Programmes. (iii) Publication of the outcome for the students to continually improve upon. The office of CoE takes the responsibility to keep the examination processes efficient and transparent with integrity, secrecy and quality service as part of maintaining the core values.

The semester end examinations for both the semesters of the academic year 2020-2021 were conducted through online mode.

The online proctored examination is conducted by using the software tool “Examly” to ensure fair conduction of the examinations. NeoExam (formerly known as Examly), was designed to conduct 100% Secured Semester Examinations. The AI-powered invigilator feature lets the exam process to be carried out in a highly legit manner by eliminating the need for human invigilators.
