“

It is with immense pleasure, we bring to the readers 1st issue of RUNWAY, the Newsletter from our Centre for Higher Education & International Relations Desk.

The last six months have been full of many activities including international professors' visit, signing of MOUs, kick-starting German Internship initiative and so on.

”

Visit by International Professors

We had the privilege of having the following professors from international universities visiting our campus and addressing our faculty and students.

14
November
2022

27

**January
2023**

Sri Eshwar exchanged MOU with De Vinci Higher Education, France, followed by which a session on "Study and Work in France" was conducted for the students. The program addressed culture, living, internship and job opportunities in France.

Foreign Language

ACCOMPLISHMENTS

For many years now, we have been providing on campus foreign language training programs to empower our students.

It was a proud moment for us when 10 of our students successfully cleared their JLPT N5 exam. Now these students have embarked on their journey towards achieving JLPT N4 certification.
